

## Face To Face in Your Community

### Let us partner with you!

Blended learning, at home, in groups, with technology!

Administration Team Members will meet with current & prospective parents to present our **NEW** High School Club Options in **Abbotsford** and a Q&A session regarding our Partners In Education (PIE)

**Central Heights Church 1661 McCallum Rd -  
February 23rd 12:30-1:30pm**

Parents are welcome to stay for the *Community Class Together* time after.

### How does PIE work?

Each PIE class has over 200 hours of classroom instruction focused on Language Arts skill development provided through multi grade and thematic social studies, science, and ADST units. Support continues from home via Fresh Grade.

### What about High School?

Students learn together under the guidance of a subject specialist teacher who weave course concepts into motivating projects & thought provoking presentations. From home students access course materials, submit assignments, and receive feedback through mYrcoa or Fresh Grade.

### Project Based

Quality instruction through games, projects, and interesting themes.

### Blended Learning

One day a week in a classroom with a teacher and other learners, then home to do projects, skill practice, and assignments.

### Tons more!

Small class sizes, field trips, group presentation skills, inquiry focus, group games, full access to RCOA Loanables.

## When you enroll in PIE, you get a full partnership with your teacher.

The PIE Program is responsible for providing the planning, instruction, and assessment of **Language Arts, Science, Social Studies** and the new BC Ed Plan area of **Applied Design, Skills & Technology** as well as classroom resources, online subscriptions managed by your PIE Program. This will be accomplished through 30 days of 6 hour long classroom instruction, 3 field trips, and an additional 3 days of staff meetings. The overall methodology of this program is to incorporate Project-Based Learning and Inquiry-Led Learning Opportunities.

In the same family	PO Funds held when issued	June 1st (or at PIE registration)	Term 1 (Sept 1)	Term 2 (Jan 1)	Term 3 (April 1)	Total out of pocket
First Learner	\$600	\$75	\$75	\$75	\$75	<b>\$300</b>
Second Learner	\$600	\$50	\$50	\$50	\$50	<b>\$200</b>
Third Learner	\$600	\$25	\$25	\$25	\$25	<b>\$100</b>
Fourth Learner	\$600	\$25	\$25	\$25	\$25	<b>\$100</b>
Pre -K	\$0	\$200	\$200	\$200	\$200	<b>\$800</b>

## HIGH SCHOOL

### High School Activities, Clubs, & Classes

**Activities** – these are one or two time ‘events’ listed on a calendar. Students are welcome to attend one, some or all of the activities. Activities are mostly free. You may use ministry funds to pay fees.

**Clubs** – these are sessions of 6 or more meeting times. They do not provide full course coverage but do a great job of providing a healthy supplement to curriculum studied at home. There is a fee to attend. You may use ministry funds to pay the fees.

**Classes** – classes offer FULL course curriculum under the guidance of an RCOA teacher or qualified instructor. Think of them like a campus school but with less time at school and more homework:). No ministry funding is provided to families for classes (marked with F2F in OTIS) and there is a fee. All needed curriculum is provided.
