Regent Christian Online Academy
MINECRAFT CLUB

K-9 Minecraft Club Teacher: Kailem Boer

Does your child like Minecraft? Are you looking for a safe environment for your student to interact with other students?

After a very successful first year full of exciting builds and teamwork, the RCOA Minecraft club is returning!

Every week there will be a new academic challenge to be completed in a team. Develop critical online communication, planning, research, and teamwork skills while playing in a safe closed environment with other RCOA students!

Term 1: Oct 2-Nov Dec 9 • Term 2: Jan 8-March 16 • Term 3: April 2- Jun 15

The Minecraft Club will have a cap of 25 students per term. Our goal is to allow everyone to have a chance to participate, but if there are open spots your child can participate during multiple terms. Signup is First Come First Serve.

Cost per term: $75 for first child, $50 for second child, and $25 for third child.

Club members will need a PC or Mac, with internet connection. You will also need a copy of the Minecraft for Mac/PC program. You can purchase this at https://minecraft.net/en/store/minecraft/
