Dewdney Trunk Road in Maple Ridge
10am to noon

CALLING ALL MUSICIANS

Open to students in grades 8-12, Worship Band Club will offer students the opportunity to grow in their skills related to playing in worship (and other) bands including playing, arranging and writing, as well as technical skills like doing sound. We will use both traditional and modern songs and styles to explore the role of worship in the church. Some playing experience is highly recommended. For more information, please email tfriesen@rcoa.ca.
